

- Do you have a cross?
  - Yes, we have a brass cross for the altar table and a wooden cross on the wall above the pulpit. The brass cross is 33cm tall.
- Do you have a candelabra?
  - Yes, we have a 3-arm candelabra that's 42cm tall
  - We also have a pair of semi-circular, 7-arm candelabra that are about 150cm tall.
  - You are also welcome to bring your own candelabra.

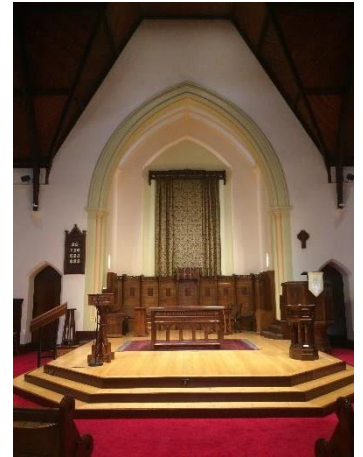

- How many flower arrangements should we have?
  - As many or as few as you'd like!
  - We have two matching 1m wooden pedestals for the front of the church, and a third one that is very similar.
  - You can put flowers on the altar table and/or on the table at the rear of the church if you wish to.
  - Your florist will generally supply the vases and bring the flowers into the church either the day before or the morning of your wedding.
- Can I take the flowers home / to the reception?
  - Absolutely, but the congregation will happily enjoy them if you would like to donate them!  
Just let the Office Managers know what you plan to do.

## Music:

- Can we move the piano?
  - No.
- Can my friend play the piano?
  - Please call our Music Director, Jennifer Chou, with music enquiries: 0410 844 552.
- Can we have other musicians as well as the pianist / organist - like a string quartet?
  - Yes, please discuss this with the Minister and Music Director.
- Can we amplify our musicians?
  - Plenty of notice is needed if you want to amplify your musicians. TUC is not a specialist live performance venue, so we may not have the necessary plugs or cords to attach guitars or other instruments to our PA. We strongly suggest that your musicians provide their own portable PA. If not, they will need to make an appointment to come in and see if it is possible to amplify them in the way they require. We have one amplification point in front of the Communion table, and another in front of the Pulpit. These are not close together, and they are set up to amplify spoken word rather than musical instruments.

## Videos:

- Can our videographer plug into your audio system?
  - No. Your videographer must bring their own equipment.

## Furniture:

- Can we move the altar table / font / lectern?
  - Only with the express permission of the TUC minister.

## Christmas:

- Can we move the Christmas decorations?
  - No, sorry. This is a working Christian church with an active worshipping congregation.
  - The Christmas tree can be moved slightly in consultation with the Minister but the large blue banners may not be moved.

## Ministers:

- Can our own Pastor/Minister/Celebrant marry us?
  - All weddings at Toorak Uniting are conducted by one of our ministers.
  - Toorak Uniting welcomes other pastors and ministers, and your minister is very welcome to *participate* in the service.
  - Please ask your minister to contact Rev Dr Christopher Page with any enquiries relating to their role in the service. Dr Page can be contacted on 0417 506 338.
